INDEPENDENT AUDITORS REPORT

Report on the Audit of the Project Financial Statements of BIHAR KOSI BASIN DEVELOPMENT PROJECT (KOSHI -II)(IDA- Loan No.5696 IN)

Opinion

We have audited the accompanying special purpose financial statement of BIHAR KOSI BASIN DEVELOPMENT PROJECT (KOSI-II) financed by the International Development Association (IDA) under Credit -5696 IN and implemented by BIHAR AAPDA PUNARWAS EVAM PUNARNIRMAN SOCIETY (BAPEPS). These Project Financial statements (PFS) comprise of the Balance Sheet as at 31st March 2019, the Receipt and Payment Account and the Income and Expenditure Account for the year ended on that date, a statement of the significant accounting policies, other explanatory information, World Bank withdrawal applications and statement of reconciliation of claims. We have also audited Interim Financial Reports (IFR) submitted to World Bank during the year ended on that date for reconciliation with audited expenditure. We have covered period from 01st April 2018 to 31st March 2019.

In our opinion, the aforesaid Project Financial Statement give a true and fair view of the receipts and disbursements of the Project for the year ended on March 31, 2019 and the expenditure of the Project for the year ended on March 31, 2019, in accordance with the financial reporting provisions of the General Conditions of the World Bank read with the Financing Agreement and Project Agreement both dated 20.01.2016.

Basis of Opinion

We have conducted our audit in accordance with the Standards on Auditing issued by Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the implementing agency in accordance with the ICAI's Code of Ethics for undertaking this assignment and we have fulfilled our ethical responsibilities in accordance with ICAI's Code of Ethics. We believe that the audit evidence which we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

The PFS is prepared to assist the BAPEPS to meet the financial reporting requirements of the Project's Financing Agreements, Financing for Investment Project Financing in respect of preparation of the Project Financial Statements in a manner to reflect the operations, resources and expenditures related to the Project. As a result, these special purpose financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter. We draw attention to the matter described in Management Letter.

Responsibilities of Management and those charged with Governance for the Project Financial Statements

The Management of the implementing agency is responsible for the preparation and fair presentation of the Project Financial Statements. These responsibilities also includes maintenance of adequate accounting records in accordance with the Financial management manual of the Society(BAPEPS) for safeguarding the assets of the Society and for preventing and detecting frauds and other irregularities; selection and application of

Page 2 of 16

JAISWAL BRAJESH & CO. CHARTERED ACCOUNTANTS

HO: Flat No. 402, Nagina Complex, Behind A.N. College, Shiv Puri, Patna-23 jbcpatna1996@gmail.com

appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, For ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The management and those charged with governance are responsible for overseeing the implementing agency's financial reporting process.

Auditor's Responsibilities for the Audit of the Project Financial Statements

Our objectives are to obtain reasonable assurance about whether the Project Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but not a guarantee that an audit conducted in accordance with the Standards of Auditing will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the financial decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards of Auditing, we exercise professional judgment and maintain skepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the Project Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by management.
- Evaluate the overall presentation, structure and content of the Project Financial Statements, including the disclosures and whether these financial statements present the Project's operations and underlying transactions and events in a manner that achieves fair presentation in accordance with the financial reporting framework with accounting principles generally accepted in India.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and assignment audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be sought to bear on our independence, and where applicable, related safeguards.

JAISWAL BRAJESH & CO. CHARTERED ACCOUNTANTS

HO: Flat No. 402, Nagina Complex, Behind A.N. College, Shiv Puri, Patna-23 jbcpatna1996@gmail.com

Report on Other Legal and Regulatory Requirements

Further to our opinion on the Project Financial Statements we further report that:

- We have sought and obtained all the information and explanations which to the of our knowledge and belief were necessary for the purpose of our audit;
- In our opinion, proper books of accounts have been kept by the agency for the Project purposes so far as appears from our examination of those books;
- The Project Financial Statements dealt with by this report is in agreement with the books of accounts;
- The Projects funds were utilized for the purposes for which they were provided;
- Expenditures, including assets created under the project, shown in the PFS are eligible for financing under the Project Financing Agreements;
- Interim Financial Reports (IFR) submitted by the Project management can be relied upon to support
 applications for withdrawal of the loan and adequate supporting documentation has been maintained to
 support these claims;
- Procurement has been carried out in line with the agreed procedures as detailed in the operations Manual/Procurement Manual/Project Implementation Plan/Legal Agreements; and
- The project has an adequate internal financial control system and such controls were operating effectively as at March 31, 2019 and the Project complies with the provisions on financial management contained in the Operations Manual/ Project Implementation Plan/ Financial Management Manual, in all material aspects.
